

September 15, 2009: Congressman Wittman to Host Satellite Office Hours

WASHINGTON, DC - Today, Congressman Wittman announced additional office hours and locations to aid constituents.

"Every day my offices in Fredericksburg, Tappahannock, and Yorktown work hard to help constituents who need assistance with an issue related to a federal agency. In order to provide assistance to residents who do not live near my district offices, I want to invite you to visit one of my satellite offices. Satellite office hours provide residents in the 1st District the opportunity to meet with members of my staff one-on-one at locations more convenient for you", said Wittman.
